Tāmaki Makaurau Auckland

key projects 2021-24

Recent progress on Ngā Hau Māngere and Papakura to Drury

North Shore projects

Underway and complete

- Northern Corridor Improvements, including extending the Northern Busway up to Albany, improvements to Constellation Station and over 7km of new shared walking and cycling paths
- Hibiscus Coast Station and Park and Ride

Future planning

- Waitematā Harbour Connections – future connections over the harbour for all modes.
- Te Tupu Ngātahi - Supporting Growth (North) - Long-term transport projects to help everyone move around safely, easily and sustainably, whether they're walking, cycling, using public transport or driving.
- Northern Busway Enhancements to get the most out of the existing Northern Busway
