**Subject:** Recovery fund allocations

Hi Prisca, as requested below are the confirmed funds allocated to TCDC for cyclone **Response** to date.

22-23 year (this year) :

- \$6.75million for response works associated with cyclone Gabrielle
- \$1.67million for response associated with the January events

23-24 year (next year):

- \$1.11million for response work associated with Cyclone Gabrielle
- \$0.567million for response work associated with the January events

**Total Response funding allocated so far is therefore \$8.42 million this year and \$1.67 million next year = \$10.09 Million**

There is additional funding identified for **Recovery** work that has yet to be finalised and we are working with TCDC to refine this and ensure it is allocated appropriately s 9(2)(g)(i)

Ngā mihi,

**David Speirs**
