

Clean Car Discount Application Information

Caveats

- The information provided may vary due to transactions being processed, system reporting delays and data entry anomalies.
- Data has been extracted from the Waka Kotahi Motor Vehicle Register (MVR) - Waka Kotahi Qlik apps
- Data includes the expanded Clean Car Discount scheme only
- Data can only be reported on vehicles that have ever been entered in the Motor Vehicle Register (MVR). Imports for private use would not be recorded.
- Registered - in relation to a vehicle, means registered under Part 17 of the Land Transport Act 1998, and consequently a vehicle will have plates issued to it.
- Data is limited to vehicles that are one of the following vehicle types:
 - Passenger Car/Van
 - Goods Van/Truck/Utility
 - Bus
 - Motor Caravan
- Data is limited to vehicles with a Gross Vehicle Mass (GVM) of 3,500kg or less.
- Data is limited to vehicles with a First Registration date between 1 July 2021 and 31 May 2023 and a rebate application that has been approved and paid as of 6th June 2023.
- Price information is free text data entry. Quality assurance measures have been applied to samples of data to ensure quality and accuracy.
- Data includes both NEW and USED vehicles
- Data excludes Confidential rebate applications
- Due to the processing time of rebates, values are subject to change as applications are processed and approved.
- The vehicle price for car models that received five or less rebates have been excluded from the data as the sample size is too small to provide a useful average.
- These figures are based on rebate applications submitted and processed by 6th June 2023 and should be seen as a point in time average. Average prices in the future may be different as more applications are submitted and processed. For example, a vehicle registered in February 2023 may apply for a rebate in March 2023 and be approved in April 2023 thus impacting future average prices.

Proactively Released
