Hi Prisca,

Some points below - s9(2)(g)(i)

OC, can you please log this as a MIN and close. Thanks!

*On 3 June 2022 Auckland Transport requested funding for the full scheme GNRC. Funding was approved by the Waka Kotahi Chief Financial Officer on 28 June 2022. The approved cost was \$25.86m with an National Land Transport Fund contribution of \$13.19m. Waka Kotahi expected construction to start within three months however Auckland Transport deferred delivery and undertook a series of project reviews, including descoping the project.*

*In May 2023, Auckland Transport engaged with Waka Kotahi to determine if Waka Kotahi would still support a revised scheme. Waka Kotahi encouraged Auckland Transport to implement the full scheme but indicated that it would support some level of project descoping.*

*The costs that have been quoted in the media and are outlined in your email below are greater than Waka Kotahi understands is required. s9(2)(g)(i)*

Hi tima

Minister Parker just heard that at the Auckland Transport Board meeting yesterday, AT decided to fund the Great North Road cycleway. He would like to know Waka Kotahi position in terms of co funding the project.
