MINO-888 Global Safe Rates campaign

20 September 2023

Provide feedback on the Minister meeting with First Union to discuss the Safe Rates campaign

Waka Kotahi NZ Transport Agency's response:

Waka Kotahi NZ Transport Agency has no specific concerns with the Minister attending an initial meeting with First Union to discuss Safe Rates. However, any other suggested improvements that might require changes in the Work-Related Road Safety area would need to be carefully considered to ensure any impacts can be identified effectively managed. Waka Kotahi recommends consulting MBIE for additional commentary on the Safe Rates campaign.
