13 WHAT HAPPENED 5 intoxicated pedestrians walking north on Morrin Road. One or more of them were walking on, or in the process of crossing the road. The victim has either walked or run into the path of a northbound vehicle. She has been carried for a short distance before the vehicle has swerved right, causing the victim to slide off left side of the bonnet and land on the road. There is confusion from witnesses as to the direction the victim was crossing but she was hit in the northbound lane
