Dear Michael

Request made under the Official Information Act 1982

Thank you for your letter of 10 September 2013 requesting information under the Official Information Act 1982, and your subsequent phone call of 11 September 2013 with Anthony Frith, Media Manager, clarifying that request. You requested:

- A list of all the safety failures picked up by the NZ Transport Agency and Police Commercial Vehicle Inspection Unit during safety checks in the Wellington region in 2013. Including:
 - date and each fault
 - name of the bus company responsible
 - resultant action (sticker or no action).

Please find attached a five page A3 document that lists all of the inspections of buses by the Transport Agency either independently or with the Police Commercial Vehicle Inspection Unit in the Wellington Region for 2013.

The attached report from left to right describes the name of the company owning the bus, the date the inspection took place, the inspection result, Pass or Fail, the action taken and a description of any fault.

This report does not include inspections that may have been conducted by Police Commercial Vehicle Inspection Unit independently of the Transport Agency. That information would need to be sought directly from them.

If you would like to discuss this reply with the Transport Agency, please contact Andy Knackstedt, National Media Manager, by email at: andrew.knackstedt@nzta.govt.nz or by phone on (04) 894 6285.

Yours sincerely
