Hi Mark,

I have a voicemail from Mike Williams (Labour party) asking the Agency to write a letter allowing e-scooters to be used on footpaths in Auckland and Christchurch.

Since your team is taking the lead on this, I feel it would be appropriate for you to call him and explain our progress. His number is s9(2)(a).

Cheers,
Dave

Subject: E-Scooters

Hi Dave,

I seek your advice on behalf of Lime, a company which seeks to supply rental e-scooters to Auckland and Wellington.

The Councils in these cities are keen to see a test of this service but feel that they require a letter from the NZTA which states that it's OK for their scooters to be used on footpaths.

Could I ask you to point me in the right direction?

Your assistance is much appreciated.

Cheers,

Mike

Kia ora Mike

As mentioned on the phone, I'll be overseas for a couple of weeks, as of Thursday. If you need to find out the latest about e-scooter regulation, Mark Rounthwaite (cc'd in) is best placed to answer your queries.

Nga mihi,
Simon

Subject: Bike Hire Companies

Kia ora Mike

I spoke with one of my colleagues this morning, Simon Kennett ccd in this message about your enquiry. Simon knows considerably more about this subject than I, and is happy for you to get in touch if that is helpful to you.

Simon's advice was that NZTA does not have a code of conduct for Bike Hire companies, however I understand we have offered advice to Auckland Council about dockless bike schemes, many of which operate around the world, sometimes with not great outcomes as the bikes often get dumped by the user.

Depending on what you want to find out, Simon would be able to help. His contact details are;
Simon.Kennett@nzta.govt.nz
