Hi [s 9\(2\)\(a\)](#)

Our most recent response on Melling (from mid-December) follows below.

Let us know if you need anything further.

Cheers,

Andy

The State Highway 2 Melling Interchange is one of a number of projects currently being reviewed by the NZ Transport Agency, to evaluate whether it aligns with the new vision for our transport network.

Once this work has been completed, work on these projects may proceed as currently planned, be staged differently or explore lower cost options. This could mean that previous shortlist options, or even the preferred option, may change.

We expect to be able to make announcements about decisions on these projects in the New Year.

Hi team

Can you let me know what NZTA's reactive lines are regarding Melling Interchange?

We are expecting some enquiries following the release below.
