Hi s9(2)

As discussed, the office has also received the query below, and has provided the following comment.

As I understand it, Barry should liaise with Andy K about the media query, who will run the NZTA response past the press secretary.

Please attribute to Government Duty Minister Iain Lees-Galloway:

“Officials are still working with Wellington City Council and the Greater Wellington Regional Council on the Let's Get Wellington Moving package and we hope to have something to announce in the coming months.”

Hi Barry,

Hope you had a good break (assuming you are back at work already).

I just had a couple of quick questions re the progress of this project:

1. When is the team hoping to announce the programme publicly? I have heard February was mentioned as a target date - is that correct?
2. I understand the main hold-up is how the funding will be split for the proposed roading projects - is this correct?

Regards,
Damian
