Subject: NLTF forecast for LGWM
Date: Thursday, 17 January 2019 10:23:42 AM

Hi Howard

As part of the LGWM briefing going to the Minister at the end of the month I need to provide advice on the council's suggested change on the NLTF forecast. I'm talking to the MoT team responsible for NLTF modelling to see what they think, but it would also be good to discuss NZTA's views so that we can be joined up in our advice.

Happy to discuss over the phone or in person. Let me know what works for you.

Best regards
