Great, thanks Barry. Howard mentioned that you had done some work on historical NLTF revenue growth. I remember it being mentioned before Xmas but I can't find it. Are you able to send me that?

Best regards

Hi s9(2)(a). I will let the team know. They are aiming to have a draft of the benefits assessment done by COB tomorrow for internal review, and to be able to get this finalized on Tuesday. Hope that is ok with you.

NZTA were reviewing the programme elements against the IAF today so should have some outputs from that shortly as well.

Hi Barry

Have just heard from the Minister's Office. The paper needs to go to Minister Genter as well, so the deadline has shifted to COP next Thursday. I'll aim to have the first draft finished Wednesday afternoon so that it can be circulated for comment Wednesday evening.

Understand that you are moving as quickly as possible on the analysis required for the briefing, but thought I should update you on the reduced timeframe.

Best regards
