Hi Barry

I would also be good to get the project sequencing and repayment period for each project under s9(2)(f)(iv).

Best regards

Hi s9(2),

I hope you had a good break in Auckland and that the wedding went well.

I was wondering what support material you may want from the LGWM team for the next round of Ministerial briefings and the cabinet paper.

We previously provided a programme summary which included information on each of the main elements; and we were thinking that this would need to be amended to reflect the revised approach that has been discussed between the Minister and Mayor/Chair. Please let me know if this would be helpful; and anything else that you might need to support your papers.

Thanks

Barry Mein
