Thanks Chris.

s 9(2) and I will inspect again now since the landowner is keen. All logs and waste will be piled up and kept on his site-tidied up area. Fences repaired etc. Last guesstimate was around \$5k but will get back to u on price.

That's great news s 9(2) thank you. Can you please confirm what s 9(2) indicative costs were to complete the felling? Also, do they have a plan to dispose of the slash or will this need to be arranged as a separate matter?

Cheers

Hi Chris and team.

I meet s 9(2)(a) at Nth end of s 9(2)(a) ..SH1 opposite Russell Road first thing this morning.

He is very happy to have all the unstable-unsafe pines/macrocarpas removed (6-7 or so). Said for us to go ahead and also just pull out of the way the old Container. He will dismantle the shed next door.

I said the green waste/branches will be put in a heap or 2 and logs will be left in a pile.

So the next stage is to plan -operationally carry it out when passing.

s 9(2)(a) does not answer his cell phone much s 9(2)(a) but his girlfriend is best contact at s 9(2)(a)

Cheers s 9(2)(a)
