

SuperGold Patronage

Report date: 9 May 2023

Data extract date: 8 May 2023

Question:

Kia ora,

A NZTA document on the public transport concession scheme for SuperGold Card holders, dated 18 September 2008, indicates that regional councils have to "provide NZTA with monthly reports covering patronage numbers, mode, operator claim costs and information on travel times or other travel data if possible" (<https://www.nzta.govt.nz/assets/resources/generalcirculars/docs/08-09.pdf>).

I was therefore wondering if I could request the following information as a LGIOMA request please:

• May I have copies of the monthly reports since 2018 if they are available please?

If they are not available (or if possible as well) are you able to provide:

• [The total number of SuperGold card trips taken in the region \(every year since 2018\), by transport mode if possible.](#)

• [The total funding received by the regional council from NZTA for SuperGold card transport concessions every year since 2018.](#)

Thank you very much for your help, and please do let me know if you need any further clarifications.

Ngā mihi
