Dear [REDACTED]

Request made under the Official Information Act 1982

Thank you for your email of 20 March 2023 to NZ Police requesting the following information under the Official Information Act 1982 (the Act):

*i would like to know the number of crashes police have attended (or had reported to them) at/near the intersection of The Ridgeway and Marsden Valley/Marsden Road since 2008.
if possible i would like a copy of the crash reports but if not then a list of the dates (month/year) with as much info as possible would be great.*

On 22 May 2023, your request was transferred to Waka Kotahi NZ Transport Agency.

Traffic Crash Reports are available through a separate specific information access provision. A person may apply to the Commissioner of the NZ Police for copies of traffic crash reports in accordance with [section 211](#) of the Land Transport Act 1998.

If you wish to obtain copies of the reports themselves, we recommend that you approach the NZ Police. More information on how to request these reports is available at: www.police.govt.nz/advice-services/accessing-information/request-traffic-crash-report-tcr.

In relation to crash statistics for the intersection you are interested in, please refer to the attached document which contains data about crashes at the specified intersection. The data in the spreadsheet should be read in conjunction with the caveats on the first page of the spreadsheet:
