Dear [REDACTED]

Request made under the Official Information Act 1982

Thank you for your email of 24 May 2023 requesting the following information under the Official Information Act 1982 (the Act):

Would you be able to send through the equivalent TREIS information for the following segments of State Highway:

- *SH1 – Between the SH1/Ross Road intersection and the SH1/SH12 intersection*
- *SH12 – Between the SH1/SH12 intersection to the Waipoua River bridge in Waipoua Kauri Forest*
- *SH14 – Between Dargaville to Waioatama River bridge in Tangiteroria*

Could you please include all incident types and both planned and unplanned closures. Would you be able to send through all available data, in previous requests this included all data points between March 2013 to current day.

Please refer to the attached document which contains data on closures on SH1, SH12 and SH14 in Northland from 2013 to present. Please note that this has closure events for the whole of these roads in Northland as our system is not able to narrow down to specific areas. Manually looking at the location description will allow you to narrow down to the areas you request.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact James Minton, Real Time Operations Manager, by email to james.minton@jtoc.govt.nz

Yours sincerely

A handwritten signature in blue ink, appearing to read 'W. Oldfield', is enclosed in a thin blue rectangular border.
