Dear ██████████

Request made under the Official Information Act 1982

Thank you for your email of 16 February 2024 requesting the following information under the Official Information Act 1982 (the Act):

I would like to request a breakdown of cost for the following.

1/ The establishment of the garden between the sets of traffic lights on the centre reservation on the main road Waikanae.

NZ Transport Agency Waka Kotahi (NZTA) can advise that the landscaping on the median traffic island arose from a change in traffic lane configuration between Elizabeth Street and Ngaio Road, and the island needed to be reconstructed at its current location. The total cost for the works was \$88,000, which is broken down as follows:

Figure 1: Cost of traffic lane configuration changes for Elizabeth St and Ngaio Rd, Waikanae

Cost Type	Cost (\$)
Demolition, removal and disposal of concrete, kerbing, and road material	\$17,000
Supply and installation of kerbing and associated remedial works	\$24,000
Supply and installation of topsoil backfill	\$21,000
Supply and installation of mulch and planting	\$26,000
TOTAL	\$88,000

In line with NZTA policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with NZTA, please contact us by email to official.correspondence@nzta.govt.nz.

Yours sincerely
