One of the most effective ways to stay up to date with what is happening on the Tinwald corridor improvements is on the project page: <https://www.nzta.govt.nz/projects/sh1-tinwald/>. This page includes copies of updates produced throughout the process of the project and includes an option to subscribe to future updates.

On the Project Overview page, you will find a map of the area with the changes being made.. You will also find an overview of the public engagement process for this project as well as links to the Engagement summary report and view the online feedback given. Timeline of work being undertaken is included in the October project update.

As the answers to your queries are outlined on the above webpage, I am required to refuse your request under section 18(d) of the Act as the information is publicly available.

Under section 28 of the Act, you have the right to ask the Ombudsman to review my decision to refuse this request. The contact details for the Ombudsman can be located at www.ombudsman.parliament.nz.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.
