Subject: New Application - Auror Limited

Kia ora

We have received the attached non-standard application for Auror Limited. They currently have an authorisation which is due to expire on 13 September 2022:

<https://gazette.govt.nz/notice/id/2017-au4742>

We have no concerns with their application, and there have been no previous complaints in relation to their access.

Attached is a draft set of terms and conditions we've prepared, with some expansion on the existing purpose to define how the personal information obtained can be used by Auror. We propose to grant the application for a period of 5 years.

Can you please review the attached and provide your comments and/or recommendations on or before the close of business on 6 June 2022.

Thank you

Kind regards
