Good afternoon,

Please find attached the first 11 of 13 regional updates. We are just making some additions to the Tairāwhiti/Gisborne and Manawatu/Whanganui summaries so should be able to get the last 2 to you tomorrow.

The team is also working on regional maps to accompany these. I discussed this with Gen last week and agreed to have them with the office by 19 July.

Please let me know if you have any questions or concerns.

Thanks,

Safety

Together with our partners, we are improving safety for all road users, including visiting drivers, in the Top of the South.

The SH6 Blenheim to Nelson safety review promises to create a safer network, reducing the number of deaths and serious injuries along this stretch of state highway. This has recently completed public engagement to gather feedback on proposed changes and areas of concern.
