

## MIN-3229 – Blenheim/Marlborough Transport matters

20 September 2019

Minister Genter is visiting Blenheim on 22 September 2019 and has requested a brief overview of relevant transport matters along with some background on DSIs.

---

The regional summary for the Top of the South, which covers Blenheim/Marlborough has previously been supplied to the office, some additional points of interest below.

- Formal consultation on speed limit reductions proposed along the 115km SH 6 Blenheim to Nelson corridor are expected to commence in the next few weeks. Reductions from 100km/hr to 80km/hr between Rai township and Blenheim are likely to create discussion within the community.
