When a consent is required under this Concession such consent must not be unreasonably withheld.

3.3 The renewal is to be on the same terms and conditions expressed or implied in this Concession except that the Term of this Concession plus all further renewal terms is to expire on or before the Final Expiry Date.

4. What are the fees and when are they to be paid?

4.1 The Concessionaire must pay the Processing Fee (Item 19 of Schedule 1) to the Grantor in the manner directed by the Grantor. Except where the Grantor's written consent has been given, the Concessionaire cannot commence the Concession Activity until the Processing Fee has been paid.

- (c) If, within 28 days of receipt of the Grantor's notice, the Concessionaire gives notice to the Grantor that the Concessionaire disputes the proposed new Concession Fee, the new Concession Fee is to be determined in accordance with clause 5.2(a) or (b).
- (d) If the Concessionaire does not give notice to the Grantor under clause 5.1(c) the Concessionaire is to be deemed to have accepted the Concession Fee specified in the Grantor's notice.

- (f) Until determination of the new Concession Fee, the Concession Fee payable by the Concessionaire from the Concession Fee Review Date is to be the

Concession Fee specified in the Grantor's notice. On determination of the new Concession Fee an adjustment is to be made and paid, either by the Grantor or by the Concessionaire, whichever is applicable.

 - (iv) The valuers are to determine the new Concession Fee which they consider to be the market value for the Concession Activity as at the Concession Fee Review Date having regard to the matters specified in section 17Y(2) of the Conservation Act 1987 but in no case is the new Concession Fee to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date. If they fail to agree the Concession Fee is to be determined by the umpire.
 - (v) In determining the Concession Fee the valuers or umpire are to disregard the annual cost to the Concessionaire to maintain or provide access to the Land.
 - (vi) Each party is to be given the opportunity to make written or oral representations or submissions to the valuers or the umpire subject to such reasonable time and other limits as the valuers or the umpire may prescribe.
 - (vii) The valuers or the umpire must have regard to any such representations but are not bound by them.
- (c) The valuers or umpire must give written notice to the parties once they have determined the new Concession Fee. The notice is to be binding on the parties and is to provide how the costs of the determination are to be borne.
- (d)
 - (i) If a Concession Fee Review Date is postponed because of a moratorium imposed by law the Concession Fee Review is to take place at the date the moratorium is lifted or so soon afterwards as is practicable; and
 - (ii) the Concession Fee Review is to establish the market value for the Concession Activity as at that date instead of the date fixed under clause 5.1 having regard to the matters specified in section 17Y(2) of the Conservation Act 1987 but in no case is the new Concession Fee to be less than the Concession Fee payable during the year preceding the particular Concession Fee Review Date; and

The rules governing any such technique adopted are to be agreed between the parties.

- 29.2 In consideration of the Grantor entering into this Concession at the Guarantor's request the Guarantor:
 - (a) Guarantees payment of the Concession Fee and the performance by the Concessionaire of the covenants in this Concession; and

- 30.2 The Concessionaire must not allow Co-Siting on the Land without the prior written consent of the Grantor.
- 30.3 The Grantor's consent must not be unreasonably withheld but is at the Grantor's sole discretion and subject to such reasonable terms and conditions as the Grantor thinks fit including a requirement that the Co-Sitee be liable for direct payment to the Grantor of a concession fee and any environmental premium assessed in respect of the Co-Sitee's activity on the Land.

- 30.4 In addition, the Grantor must withhold consent if:
- (a) The Co-Siting would result in a substantial change to the Concession Activity on the Land; or
 - (b) The Grantor considers the change to be detrimental to the environment of the Land.
- 30.5 Subject to clause 30.4 the Concessionaire must, if required by the Grantor, allow Co-Siting on the Land.

The Grantor must not grant a concession to a third party where the report confirms that the proposed concession would give rise to one or more of the matters specified in this clause 30.6.
- 30.7 If the independent consultant report rejects the Concessionaire's concerns, the Concessionaire may dispute this in accordance with the procedure set out in clause 22 of Schedule 2.
- 30.8 Where the Concessionaire is required under clause 30.5 to allow Co-Siting on the Land, the Concessionaire is, subject to clause 30.10 entitled to enter into commercial agreements with third parties for them to conduct an activity on the Land and to receive a reasonable fee from them for any agreed activity they intend to carry out on the Land. This separate concession must not contain provisions that conflict with the Concessionaire's rights and obligations in relation to the Land.

30.11 The Grantor must not authorise the third party to commence work on the Land until all relevant resource consents are issued, an agreement is executed between the Concessionaire and third party, and any conditions imposed by the Concessionaire have been met.

31.3 The Concessionaire must obtain sufficient cards to ensure all people acting under the authority of the Concession can carry and display such cards when undertaking the Concession Activity.

31.4 The Concessionaire may also access, use and/ or display the Grantor's "Approved Label". This right only exists once the Concessionaire agrees to comply with the Grantor's Approved Label terms and conditions and while the Concession remains operative. When the Concessionaire so requests the Grantor is to forward the Concessionaire an electronic link to the Approved Label. This electronic link is to contain the Approved Label terms and conditions.

31.5 The right under this clause 31.4 does not affect the obligation in this clause 31 to carry and display a Concession Identification card.

32.1 Clauses 12 and 24 survive the termination of this Concession.

33. When can the conditions of the Concession be varied?

4. During the term of the concession, where Grantor believes that the effects of aircraft noise should be further reduced, the Grantor may, by notice, require the concessionaire to either undertake measures to minimise the effects of noise on conservation values or to use a contractor accredited to a recognised noise abatement and disputes resolution programme. If such notice is given by the Grantor, the concessionaire must

 - (ii) if required to use a contractor accredited to a recognised noise abatement and disputes resolution programme within 3 months from receiving the notice provide proof to the Grantor that such accreditation has been completed and must keep their participation in that programme or training current until the Final Expiry Date.

The Grantor may, at any time, issue a subsequent notice(s) requiring the Concessionaire to implement the other option.
5. While undertaking the radio-tracking, the helicopter must fly at least 50m above the tree canopy at all times.
6. If the tree canopy becomes affected by the rotorwash of the helicopter at any time while undertaking the radio-tracking, the pilot must gain height until the canopy is unaffected.

On days that the survey is taking place, users of this area are likely to experience noise from the helicopters being used. The helicopters may hover at times but will be at a height where rotor wash will not affect the canopy."

Myrtle Rust

10. The Concessionaire, and any agent, employee or contractor of the Concessionaire that will come into contact with vegetation, must know the plants that are affected by myrtle rust and what the rust symptoms look like. This serious fungal disease only affects plants in the Myrtle (Myrtaceae) Family which includes pohutukawa, manuka, kanuka, and ramarama. See <https://www.mpi.govt.nz/protection-and-response/responding/alerts/myrtle-rust/>

 - (b) Take clear photos, including the whole plant, the whole affected leaf, and a close-up of the spores/affected areas of the plant.
 - (c) Don't touch or try to collect samples as this may increase the spread of the disease.
 - (d) If accidental contact with the affected plant or rust occurs, bag clothing and wash clothes, bags and shoes as soon as possible.
 - (e) Have a hot shower and clean your hair as soon as possible to remove any spores.
12. All equipment must be thoroughly cleaned both before and after each use in the Mount Messenger Conservation Area.
