Dear Alan

**Request made under the Official Information Act 1982**

Thank you for your email of 23 November 2021 requesting the following information under the Official Information Act 1982 (the Act):

*Marja's office has received a query about the number of serious and fatal road accidents in the Rodney region. The person asking asserted that over 50% of road accidents in the Auckland region occur in the Rodney region.*

*Do you have any figures that can clarify the situation re traffic accidents in the area?*

According to data recorded in our Crash Analysis System, from 2016 to 2020 11 percent of the fatal and serious crashes in the Auckland Region occur in the Rodney Local Board area.

More detailed information on the data you have requested is being provided to you in the attached spreadsheet (OIA-9011.xlsx). The data in the spreadsheet should be read in conjunction with the caveats on the first page of the spreadsheet.

In line with Waka Kotahi NZ Transport Agency policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply further with Waka Kotahi, please do not hesitate to contact Ministerial Services by email to [official.correspondence@nzta.govt.nz](mailto:official.correspondence@nzta.govt.nz).

Yours sincerely
