Speed Management

Speed Management Throughput Summary:

- Upcoming Implementations: SH5 Rangitaiki to Esk Valley – 18 February, Motueka Urban – 31 March, SH73/75 Christchurch to Akoroa – March
- New Consultation: SH30 Tikitere to Awakeri and SH2 to Whakatane commenced 21 January

Hawkes Bay Mayors have written to Waka Kotahi asking for the SH5 speed changes to be stopped, and are threatening a judicial review of the our process. The Regional Leadership Team have been fronting extraordinary RTC meetings and a number of media stories on the issue.

Local Roads

Speed change by Auckland Transport constitutes most kilometres delivered to date but strong progress is being made in Northland and Canterbury. Nearly half of Auckland Transport's total network (7550km) will have its speeds changed to safe and appropriate speeds by June 2022.
