Speed Management ●

Speed Management Throughput Summary:

We are continuing with a small number of current speed reviews. The bulk of reviews depend on the use/application of 90km/h speed limits and phased approach for open road speeds.

WEX 110km/h changes on track to go live when Hamilton Section opens.

Local Roads ●

Have increased **out of scope** and speed management consultation in the programme. **out of scope**

section 9(2)(g)(i)
