Dear [REDACTED]

Request made under the Official Information Act 1982

Thank you for your email of 1 October 2022 requesting the following information under the Official Information Act 1982 (the Act):

I'm requesting under the official information act if there are any cctv sites operating in Central Otago, and if there are plans for any in the future.

Waka Kotahi NZ Transport Agency manages the following CCTV cameras in the Central Otago area:

- 3032 - Lindis Pass (SH8)
- 3059 – Wanaka (SH6)
- 946 – Queenstown (SH6A)
- 947 – Queenstown (SH6A)
- 948 – Queenstown (SH6)
- 949 – Queenstown (SH6A/SH6)
- 950 – Queenstown (Grant Road)

Images from cameras at SH6A Queenstown North, SH6 Frankton and SH8 Lindis Pass respectively – which are updated every minute – are also publicly available online at:

- <https://www.journeys.nzta.govt.nz/traffic/cameras/622?layers=cameras>
- <https://www.journeys.nzta.govt.nz/traffic/cameras/623?layers=cameras>
- <https://www.journeys.nzta.govt.nz/traffic/cameras/725?layers=cameras>

There are plans to instal approximately five CCTV cameras on SH6 between Queenstown and Lake Hayes to monitor traffic signal intersections, but designs are yet to be finalised.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact us by email at official.correspondence@nzta.govt.nz.

Yours sincerely
