

23 December 2022

Out of Scope

REF: OIA-11576

Dear Out of

**Request made under the Official Information Act 1982**

Thank you for your email of 26 November 2022 requesting the following information under the Official Information Act 1982 (the Act):

*A spreadsheet showing all transport projects funded by NZTA that have started construction since the year 2000 with the following information for each:*

- *Name of project*
- *Location*
- *Mode (e.g. road, commuter rail, cycling etc)*
- *Date construction started*
- *Date construction completed (if completed)*
- *Total cost (or estimated cost if incomplete)*

On 5 December 2022, you refined your request to be for the following information for the period 2009/2010 to 2022:

- *Name of the project*
- *The council or region that spent the funds*
- *Activity class (public transport/ walking and cycling/ state highway improvements/ local road improvements, etc)*
- *The year that spending commenced for the construction/implementation phase*
- *The year that spending concluded for the construction/implementation phase*
- *The total cost of the construction/implementation phase*

Please find attached an Excel spreadsheet which contains the information you have requested.

The following caveats apply to the data supplied:

- This data lists the construction and implementation phases for stand-alone projects.
- The projects are grouped by activity class, and the activity class names may have changed over time e.g., walking & cycling is now called walking & cycling improvements.
- The data provided for the 'Spending commenced for construction' and 'Spending concluded for construction' categories are based on the years that spending took place for the

construction phase only. These dates do not necessarily represent the actual dates of physical construction, or the actual start and finish dates of a project, and are exclusive of procurement and tendering processes, or activity that takes place after 'practical completion' and project opening.

- Where 'Spending concluded for construction' is after 2022, this is the expected end date for spending in the construction phase.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact Ministerial Services at [official.correspondence@nzta.govt.nz](mailto:official.correspondence@nzta.govt.nz).

Yours sincerely

A handwritten signature in dark ink, appearing to read 'James', written in a cursive style.
