Dear Out

Request made under the Official Information Act 1982

Thank you for your email of 28 November 2022 requesting the following information under the Official Information Act 1982 (the Act):

You mentioned that there had been traffic monitoring data in our conversation and below. Would we be able to get the results of this please for the last 10 years under the official information act? Could the monitoring be re-done once the Tamahere round about is complete? There are now cues beyond the bridge to the west in the evening, since the expressway was finished, suggesting a further increase in volume.

The following document falls within the scope of your request and is enclosed:

- Attachment 1: Traffic Data SH21 Airport Road

Traffic count data was collected from three sites on SH21 as illustrated in the map appended to this letter. Unfortunately, due to technical issues affecting data collection, sites 02100000 and 02100004 in Attachment 1 only show data up to 18 November 2021.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact Laura Rodriguez Garcia, Network Manager – West Waikato, by email to Laura.RodriguezGarcia@nzta.govt.nz.

Yours sincerely

Neil Walker
National Manager, Maintenance and Operations
