Out of Scope

REF: OIA-11901

Dear **Out of**
S

Request made under the Official Information Act 1982

Thank you for your email of 16 January 2023 requesting the following information under the Official Information Act 1982 (the Act):

I would like information/data on road maintenance expenditure going back 20 years. I presume this is easy for someone to extract.

The following document falls within the scope of your request and is enclosed:

- OIA-11901 Maintenance Cost last 20 years.xlsx

When referring to the data please note the following:

The "Total" column only shows the National Land Transport Fund (NLTF) expenditure, local expenditure is separate.

Authority Type shows which type of authority the road(s) maintenance was carried out under. The three authorities are:

- State Highway: Work carried out by Waka Kotahi NZ Transport Agency on State Highways.
- Territorial: Work carried out on local Roads by City or District Council named in the Local Government Act 2002, as well as Auckland Transport.
- Non-Territorial: Work carried out on local roads or Special Purpose Roads (e.g. across national conservation land) by Waka Kotahi, DoC, Waitangi Trust and some Regional Councils.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact Matt Hendry, Manager, Performance Analytics, by email to matt.hendry@nzta.govt.nz or by phone on 04 894 6235.

Yours sincerely
