REF: OIA-12141

Dear 

Request made under the Official Information Act 1982

Thank you for your email of 2 March 2023 requesting the following information regarding the New Zealand vehicle fleet:

If I can clarify what I am trying to gather is for light passenger and light commercial vehicles. Vehicles that have a current valid registration plate/label, but have no current WoF issued against it or no current registration or both.

Your request was clarified on 3 March 2023 as follows:

If the data can please be supplied for code 07 Passenger cars and vans, all descriptions and also code 08 Goods vehicles only for class NA.

If it is not to much trouble, if we could include the taxi/rental fleet as well, that would be great. The taxi/rental fleet should all be on CoF, so either a separate measure for them or just add to the WoF/CoF as an overall total would be fine.

Your request has been considered under the Official Information Act 1982 (the Act).

The information requested is provided in OIA-12141 - Glen McGarry (Data).xlsx which has been enclosed.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact Kerry Greig, Manager, Data Services, by email to kerry.greig@nzta.govt.nz.
