The Parties

Auckland Transport “**The Authority**”

Go Bus Limited “**The Operator**” and

Supported by

Amalgamated Workers Union New Zealand Incorporated “**Union Representative**” and First Union Incorporated “**Union Representative**” and

Waka Kotahi NZ Transport Agency “**Waka Kotahi**”

Background and Purpose

The Parties are committed to ensuring a sustainable driver workforce, improving the attractiveness of bus driving as a career and supporting the retention and recruitment of bus drivers.

In Budget 2022 Cabinet approved Crown funding from the Climate Emergency Response Fund for the Retaining and Recruiting Bus Drivers – Improving Terms and Conditions initiative. The initiative aims to improve bus driver terms and conditions employed by the Operator which carries out services on behalf of The Authority.

Funding is to be made available subject to meeting funding conditions set by Cabinet.

The purpose of this document is to record agreement of the Parties to work in good faith to meet the conditions and to record the next viable step towards improving terms and conditions for bus drivers.

The Parties recognise this represents a collaborative step forward and acknowledge there is more work to be done.

This agreement records the intent of the parties and does not pre-determine any other legal process binding on the Parties. Receipt of Crown funding will be subject to separate agreement.

Agreement

- 1) The Parties record their joint intent to work in good faith to:
 - a) Increase the existing bus driver hourly base rate by s 9(2)(b)(ii) per hour from 1 April 2023 (Wage Uplift) and work towards a \$30 urban base rate later subject to funding;
- 2) The Parties acknowledge and understand that in order to receive Crown funding:
 - a) The Authority must provide local share funding to match Crown funding at the normal funding assistance rate.
 - b) It must be demonstrated to the satisfaction of The Authority that The Operator has or will contribute to increased driver wages consistent with the wage component of indexation since The Authority last contributed additional funding (beyond indexation and normal contract payments) to lift driver wages through to the date wages are further increased in accordance with this Memorandum of Understanding.

- c) The Operator must at least annually adjust driver wages and utilise the full labour component of future indexation payments to increase driver wages for the remaining term of their service contract(s) with The Authority.
- 3) The Operator will disclose data and information to The Authority as may be reasonably required to verify the commitments in this Memorandum of Understanding on an ongoing basis. The Authority may share this data and information with Waka Kotahi and Waka Kotahi may in turn share this information with the Ministry of Transport for purposes of providing updates on the progress of the initiative and other administrative obligations.
- 4) Subject to all Parties signing this Memorandum of Understanding, Waka Kotahi will work with The Authority to enable access to the government share of funding (subject to meeting funding conditions).
- 5) The Parties record their intention that subject to confirmation of local share funding from the Authority and confirmation of Crown funding from Waka Kotahi:
 - a) The Authority and The Operator will amend relevant contract(s) for services to give effect to agreements reached pursuant to the process outlined in this Memorandum of Understanding.
 - b) To the extent necessary, The Operator and, where applicable The Union(s), will work in good faith to amend employment agreements to give effect to agreements reached pursuant to the process outlined in this Memorandum of Understanding.
- 6) This Memorandum of Understanding is effective on the day that it is signed by all Parties and remains effective until the intended initiative(s) under Section 1) are implemented or until this document is superseded by a future agreement agreed by the Parties.

From time to time, Auckland Transport (AU) (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

Getting paper copies

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. Consequences of changing your mind

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

All notices and disclosures will be sent to you electronically

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.
