Dear [REDACTED]

Request made under the Official Information Act 1982

Thank you for your email of 4 September 2023 requesting the following information under the Official Information Act 1982 (the Act):

With so much focus and annual spend towards cycling activities, I would like to request the info and costs/spend on skate and scooter activities, such as have a go days and active transport initiatives/skate hubs

Waka Kotahi NZ Transport Agency does not run any “active transport initiatives” or “have a go” days encouraging people to take up skating and scooting. However, we do provide some resources to help other groups such as councils educate people about safe skating and scooting.

One of these resources is the *Hike it, Bike it, Scoot it, Skate it* brochure for whānau and caregivers to help teach children about staying safe on roads and near railways. Councils and community groups, for instance, can order hard copies of the brochure as part of their information displays, and it can be accessed at <https://education.nzta.govt.nz/teacher-resources/school-community-partnerships/road-safety-advice-for-families/>.

We also provide other safety information and resources about scooters, which can be accessed at <https://education.nzta.govt.nz/teacher-resources/school-community-partnerships/scooter-safety-tips/>, and about skateboarding safely which can be accessed at <https://education.nzta.govt.nz/teacher-resources/school-community-partnerships/skateboard-and-bike-tips/>.

In line with Waka Kotahi policy, this response will soon be published on our website, with personal information removed.

If you would like to discuss this reply with Waka Kotahi, please contact us by email to official.correspondence@nzta.govt.nz.

Yours sincerely

Lauren Cooke
Senior Manager, Education and Marketing
