Hi 9(2)(a)

9(2)(a), I think you've done a really good job pulling this together – it reads well.

My comments are in the attached – again I don't think they will take you too long to address.

Probably the key issue that requires a bit more thought from you both is that one we discussed earlier re talking about technical refinements to the options.

Very happy to discuss.

Regards

9(2)(a)
