

50MAX UPDATES

January 2016

Waipa District, More bridges available for 50MAX

Two more bridges are now available for 50MAX in the Waikato;

- Racecourse Road Bridge (78) in Te Awamutu and
- The Fergusson Bridge on Shakespeare Street in Leamington

With many councils continuing to assess their infrastructure the 50MAX network continues to grow, demonstrating the partnership between Road Controlling Authorities, the Transport Agency and operators.

As always please ensure all drivers are aware of the special conditions that apply to any 50MAX permit. 50MAX permits include a list of restricted areas and bridges, and operators and their drivers will need to study the book of maps they receive with their permit. The book of maps shows where 50MAX trucks can travel, and points out any no-go areas, such as specific bridges that are not fit for 50MAX traffic. If you have any questions please contact us at info50MAX@nzta.govt.nz or call 0800 699 000.

Local authorities that have opened their networks to 50MAX via our permits are:
