Subject **REVISED ADDENDUM for HPMV Higher Mass Permits**

ADDENDUM for HPMV Higher Mass Permits

REPAIRS ON SH2 - HPMV DETOUR ROUTES

Full Closures of Sections of SH2 Every Second Sunday until March 2025

Overnight Closures from 6.00PM Sunday to 6.00AM Monday

To enable easier repairs to barriers, signage, road markings, potholes, etc, sections of State Highway 2 between Watchman Road and the SH2/Maraekakaho Roundabout will be closed in both directions on every second Sunday. The road will be closed overnight between 6pm on the Sunday evening and 6am on the Monday morning.

The sections to be closed will be notified on the Thursday of the week before each closure, and operators are recommended to check Waka Kotahi NZTA notifications to ensure they are aware which sections will be closed and what detour is available. One section does not have an available detour so HPMV's will be unable to travel while this section is closed. The link to the notifications is shown below:

<https://www.journeys.nzta.govt.nz/regions/hawkes-bay>

The closure locations and the approved detour routes (if available) are shown below. Due to the short-term nature of the repairs, there may be multiple sections of the state highway closed during any work period, although only one section will be closed at one time. Therefore, there are no precise times and dates specified for each closure at this time. Operators will need to be familiar with the HPMV detour routes, particularly where they may differ from the detours for as-of-right traffic or where no detour route is available for HPMV's.

Closure 1 - Watchman Road to Prebensen Drive

The HPMV detour route during these times is via SH50 Prebensen Drive, NCC Meeanee Quay, Pandora Road, SH50 Hyderabad Road and SH50 Prebensen Drive (and reverse) as shown on the map below.

Closure 2 - Prebensen Drive to Taradale Road

The HPMV detour route during these times depends on your direction of travel.

- Northbound traffic will detour via SH51 Taradale Road, Austin Street and SH50 Prebensen Drive.
- Southbound traffic will detour via SH50 Prebensen Drive, Ford Road, Carnegie Road and SH51 Taradale Road.

Both detours are shown on the maps below.

Closure 3 – Taradale Road / Kennedy Road Overbridge On-Ramp to Meeanee Road

The HPMV detour route during these times is via NCC Taradale Road and Kennedy Road, Gloucester Street, Guppy Road and Meeanee Road (and reverse) as shown on the map below.

Closure 4 - Meeanee Road to Links Road

There is no HPMV detour route for this section of SH2. It is recommended that HPMV's do not travel when these closures are planned.

Closure 5 - Links Road to Evenden Road

The HPMV detour route during these times is via HDC Pakowhai Road and Evenden Road (and reverse) as shown on the map below.

Closure 6 - Evenden Road (or Links Road) to Omaha Road

HDC Omaha Road past the hospital is not suitable for HPMV's. The HPMV detour route during these times is via Maraekakaho Road and Pakowhai Road (and reverse) as shown on the map below.

Note this detour route must only be used when the as-of-right detour uses Omaha Road between SH2 and Pakowhai Road. At other times (eg for Closures 5, 7 and 8) the appropriate detour route must be used.

Closure 7 - Omaha Road to York Road

The HPMV detour route during these times is via HDC Omaha Road, Stoneycroft Road, Orchard Road, Maraekakaho Road and York Road (and reverse) as shown on the map below.

Closure 8 - York Road to Longlands Road

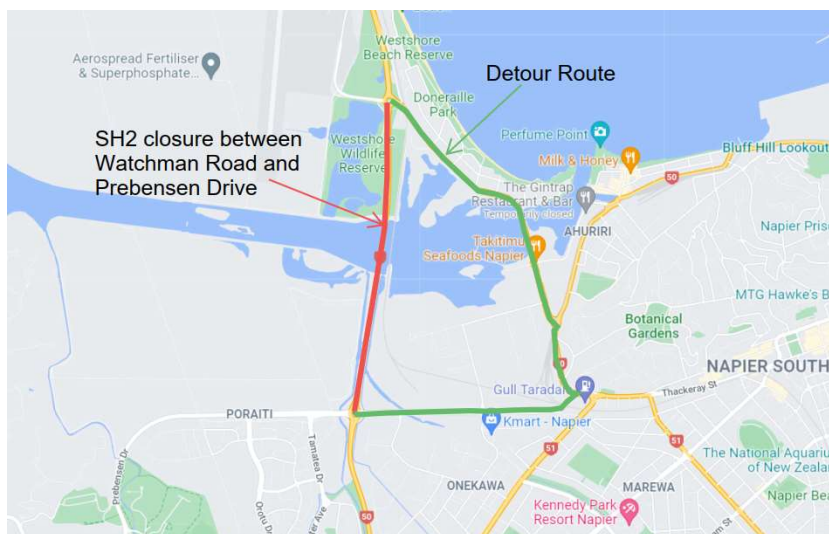

The HPMV detour route during these times is via HDC Maraekakaho Road and York Road (and reverse) as shown on the map below.

Note: Only these approved detour routes may be used unless other routes are already included on your HPMV permit.

If you have any queries regarding this, please contact Andre Taylor or Martin Colditz at TREC. (andre.taylor@TREC.NZ or martin.colditz@TREC.NZ).

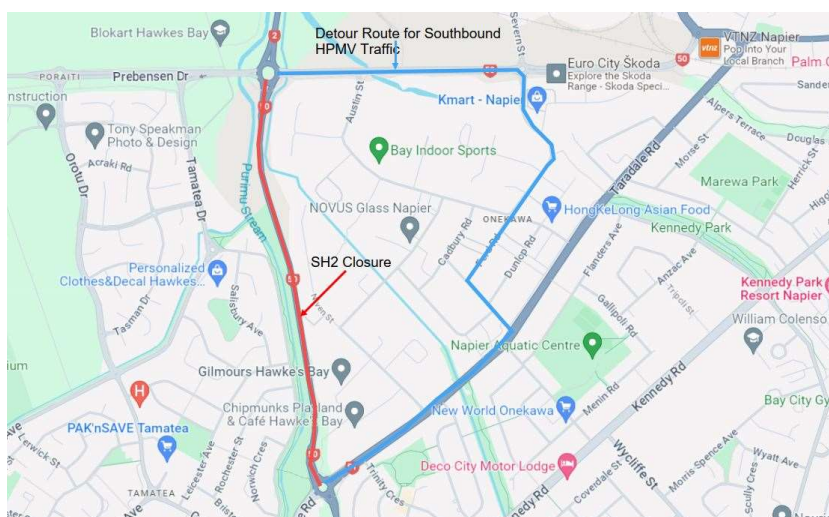

Maps of all the detour routes are shown on the following pages.

Closure 1 - Watchman Road to Prebensen Drive

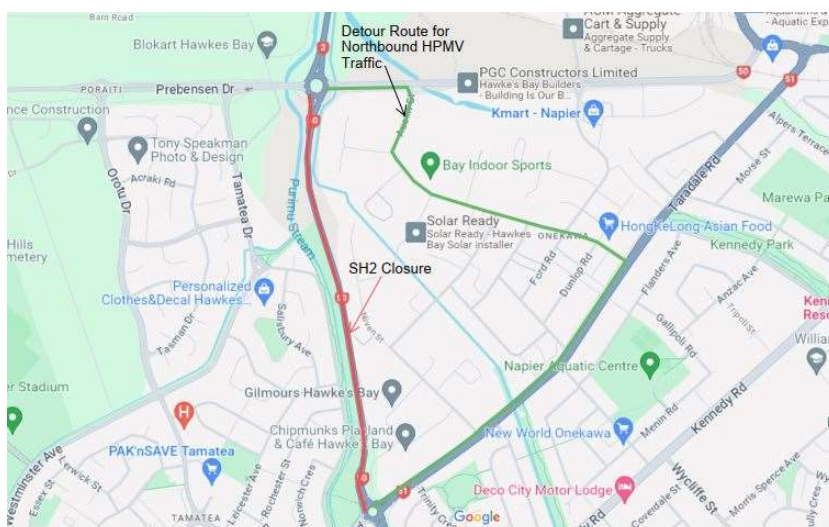

Closure 2 - Prebensen Drive to Taradale Road

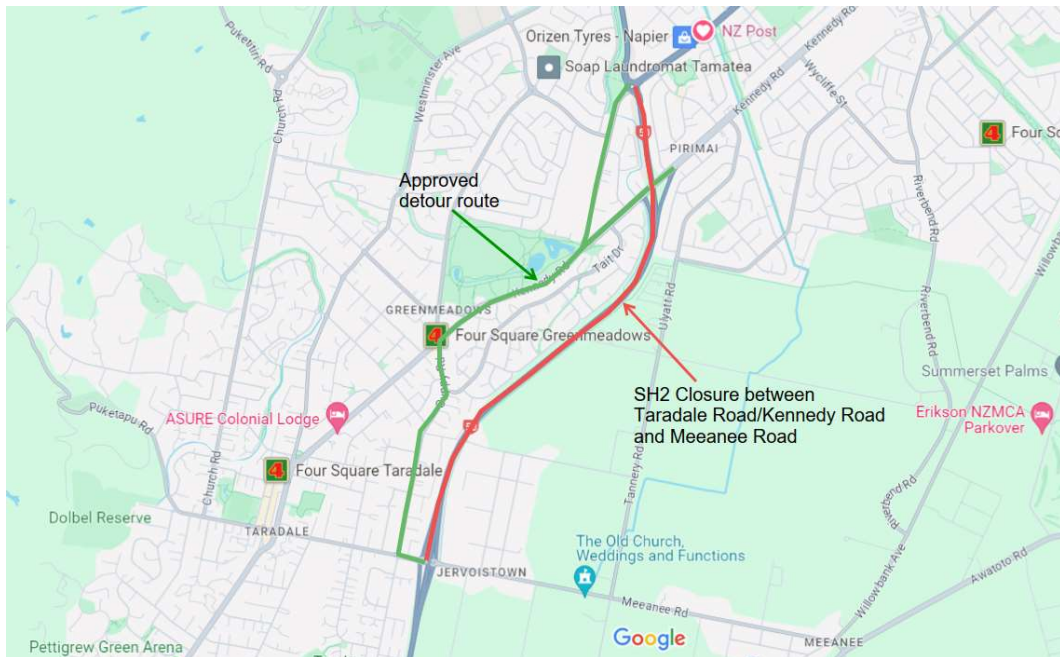

- Southbound Detour Route

- Northbound Detour Route

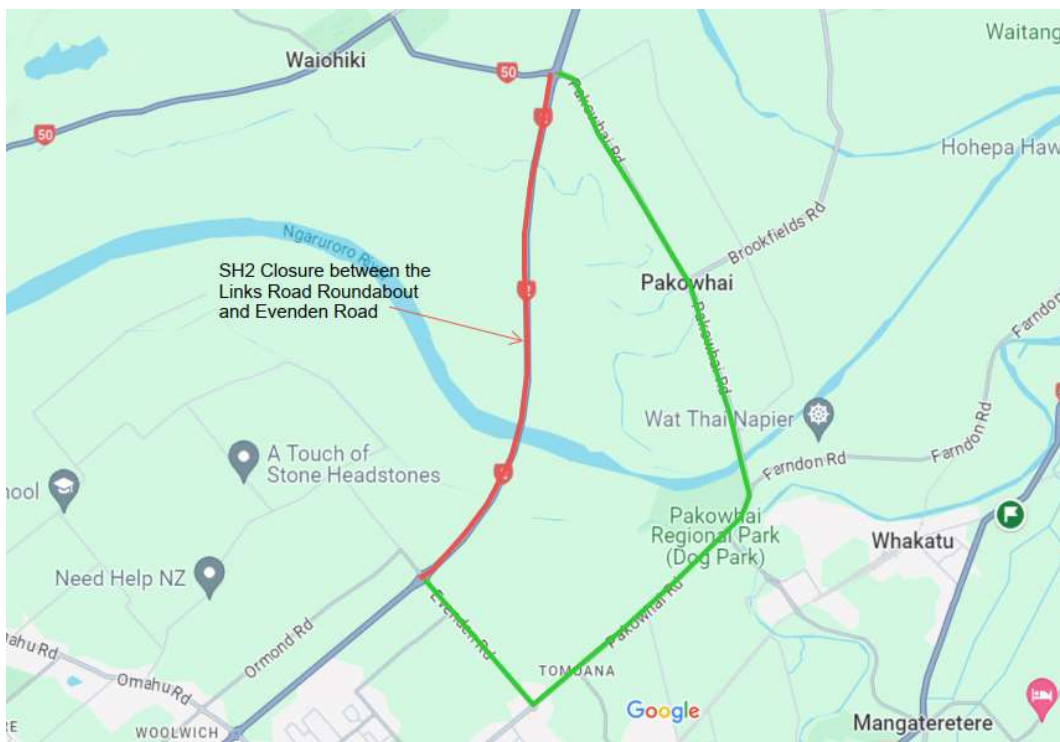

Closure 3 – Taradale Road / Kennedy Road Overbridge On-Ramp to Meeanee Road

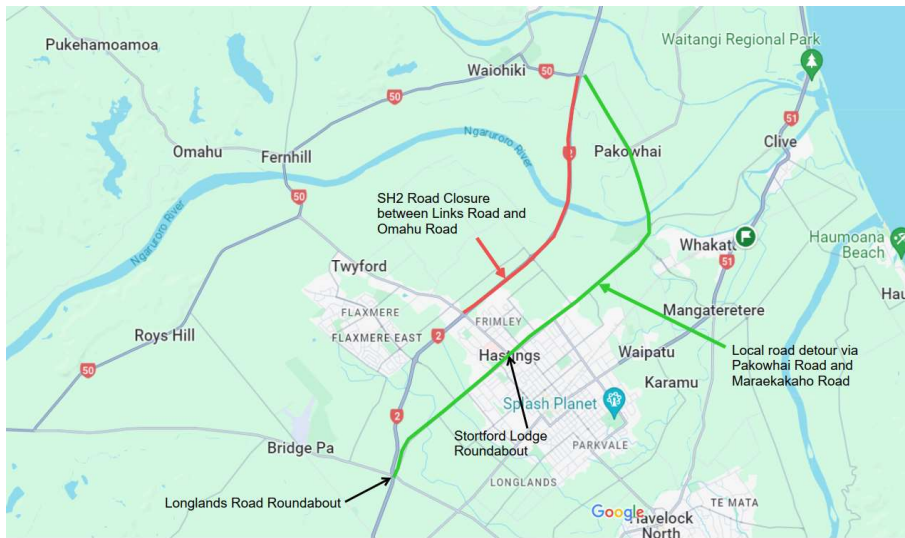

Closure 4 - Meeanee Road to Links Road

There is no HPMV detour route for this section of SH2. It is recommended that HPMV's do not travel when these closures are planned.

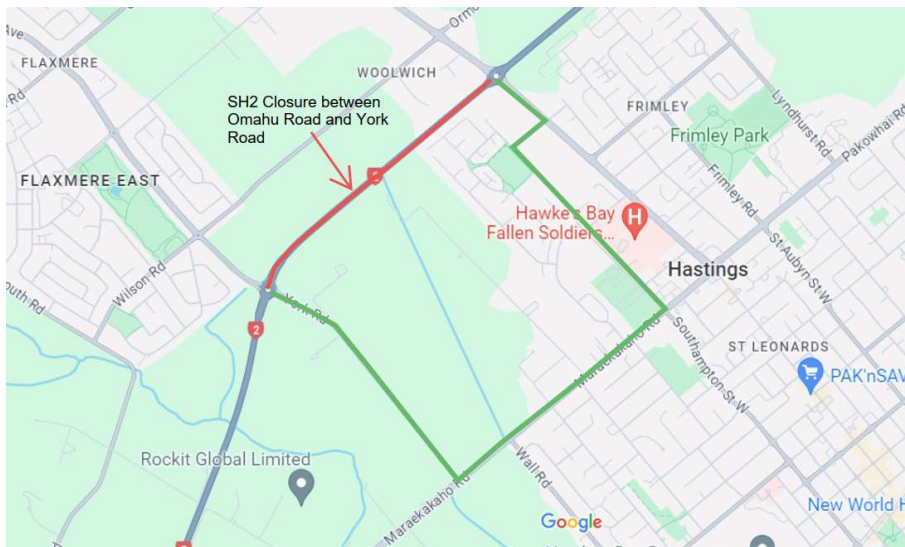

Closure 5 - Links Road to Evenden Road

Closure 6 - Evenden Road (or Links Road) to Omaha Road

Closure 7 - Omaha Road to York Road

Closure 8 - York Road to Longlands Road
