Dear Adam

Land Transport Rule: Setting of Speed Limits 2022—Director approval to set speed limits

Thank you for requesting, in accordance with the Alternative Method process provided for under Clause 2.6 of the Land Transport Rule: Setting of Speed Limits 2022, Director of Land Transport approval for speed limit changes as follows:

Table 1: Approved speed limit changes

Description	Current speed (km/h)	Proposed speed (km/h)
1. Blackbridge Road, between Dairy Flat Highway and 240m west of Dairy Flat Highway	80	60
2. Dairy Flat Highway, between 500m north of Landfill Access Rd and 215m north of Landfill Access Rd	80	60
3. Dairy Flat Highway, between 215m north of Landfill Access Rd and 355m south of Landfill Access Rd	80 (permanent) 60 (school variable)	60 (permanent) 30 (school variable)
4. Dairy Flat Highway, between 355m south of Landfill Access Rd and 220m south of Blackbridge Rd	80	60
5. Postman Road, between Dairy Flat Highway and 260m east of Dairy Flat Highway	80	60
6. Richards Road, between Dairy Flat Highway and 50m west of Dairy Flat Highway	60 (variable)	60
7. Landfill Access Road, between Dairy Flat Highway and 85m west of Dairy Flat Highway	80 (permanent) 60 (school variable)	60 (permanent) 30 (school variable)

I am satisfied, in line with clause 2.6(4), good reason exists for the proposed speed limits. I therefore approve these proposals.

I also approve the speed limit correction sought for Landfill Access Road, under clause 12.11, addressing a legacy issue associated with it formally being under the control of Rodney District Council. Once the corresponding speed limit record is uploaded to the National Speed Limit Register, the 50 km/h speed limit signposted will be legal and enforceable.

If you have any questions, please do not hesitate to contact Karina Morrow (Manager Regulatory Technical, Te Rōpū Waeture - Regulatory) (karina.morrow@nzta.govt.nz).

Yours sincerely

Brent Alderton
Director of Land Transport
