Dear Rodger

**Interim speed management plan certification**

Thank you for submitting the Waitaki District Council Interim Speed Management Plan (the Plan) for certification under the Land Transport Rule: Setting of Speed Limits 2022 (the Rule).

As Director of Land Transport, I am pleased to certify the Plan and issue the enclosed Certificate. Both the Plan and Certificate will be published on Waka Kotahi's 'Speed Limit Approvals' website:

[www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/](http://www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/).

I commend Council on:

- prioritisation of permanent speed limits for Category 1 schools (30 km/h)
- applying Category 2 designation appropriately (40-60 km/h, subject to review); and
- applying an area-based approach to setting school speed limit areas.

If you have any questions, please do not hesitate to get in contact with Karina Morrow (Manager Regulatory Technical, Te Rōpū Waeture - Regulatory) ([karina.morrow@nzta.govt.nz](mailto:karina.morrow@nzta.govt.nz)).

Your sincerely

Neil Cook  
Director of Land Transport
