Dear Stacey

Interim Speed Management Plan certification

Thank you for submitting the Dunedin City Council Interim Speed Management Plan (the Plan) for certification under the Land Transport Rule: Setting of Speed Limits 2022 (the Rule).

As Director of Land Transport, I am pleased to certify the Plan and issue the enclosed Certificate. Both the Plan and Certificate will be published online at: www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/

I also commend Council on:

- addressing the target for maximum permitted speed limits outside schools ahead of the 31 December 2027 deadline specified in Section 5 of the Land Transport Rule: Setting of Speed Limits 2022; and
- designating all schools in Dunedin as Category 1, with 30 km/h speed limits.

I would encourage Dunedin City Council to consider transitioning variable speed limits to permanent 30 km/h speed limits around schools and adopting area-based approaches in the subsequent full plan.

If you have any questions, please do not hesitate to get in contact with Karina Morrow (Manager Regulatory Technical, Te Rōpū Waeture - Regulatory Services Group) (karina.morrow@nzta.govt.nz).

Your sincerely,

Kane Patena
Director of Land Transport
