

2 Mill Road Stage 1

NZ Transport Agency Waka Kotahi is focusing on confirming scope for the long-term solution, and identifying any early construction opportunities possible in the 2024-2027 National Land Transport Plan period. The plan is to progress consenting and designation for the long term solution at the same time as progressing early opportunities.

Mill Road Stage 1

This map is for illustrative purposes only.

Construction timing is dependent on NZ Transport Agency Waka Kotahi securing necessary funding and approvals. The Government Policy Statement on land transport (GPS2024) requires alternative funding and financing be considered. This will include assessing all Roads of National Significance for tolling.
