

## 2 Takitimu North Link Stage 2 (Te Puna to Ōmokoroa)

A new 7.7km state highway between Te Puna (near Loop Road) and Ōmokoroa, tying into the existing SH2 south of the Waipapa Stream bridge. This is an extension of Stage 1 of the project (currently in construction between Tauranga and Te Puna).

Once the designation process is complete the project will move into pre-implementation (consenting, detailed design and property acquisition) and then construction.

- Existing state highway
- New state highway
- Stage 1
- Stage 2

This map is for illustrative purposes only.

Construction timing is dependent on NZ Transport Agency Waka Kotahi securing necessary funding and approvals. The Government Policy Statement on land transport (GPS2024) requires alternative funding and financing be considered. This will include assessing all Roads of National Significance for tolling.
