

# Plan for travel over New Year

## Work will be taking place on a section of Rosedale Road from Wednesday 2 to Monday 14 January 2019.

### WHAT WE ARE DOING

A section of Rosedale Road under the Northern Motorway will be lowered by 1.5m. This is to enable extra headroom for trucks and buses. This is part of work to replace the SH1 bridge.

### WHAT THIS MEANS FOR YOU

Detours will be in place, so plan your journey and allow extra time. Trucks and vehicles will be moving around the work area and entering the Rosedale Landfill.

*Access to local shops and businesses will remain*
