

## CONSULTATION SUMMARY REPORT MONTHLY COMMUNITY EVENT (JULY 2020)

### Overview

Event	Date/Location	Staff present	Approx. number attended	Notification of Event
North Shore Outboard Boating Club visit	Wednesday 14 July 2020 NCI Project Office, 10 Rothwell Avenue, Rosedale 10:00am-12:00pm	Trish Viall Emma Cushnie	17	Club requested visit via email

### Key topics

Members of the North Shore Outboard Boating Club attended the Visitor Hub to understand more about the Northern Corridor Improvements (NCI) project. Many of them are local residents who live and travel in the area. They were shown the animated project video which explains how the project completes the Western Ring Route. The latest aerial flyover video was shown where work sites were pointed out and activities explained in more detail.

### Notification of the event

Two attendees from the previous Information Day asked the Community Engagement Manager if a group visit from the North Shore Outboard Boating Club could take place at the Visitor Hub.

### Feedback

Overall there were positive comments about the project and they were impressed with the progress and the minimal impact on traffic during the day. Other queries included:

- Where the material comes from to build the project (local or overseas)
- Traffic on Meadowood Drive
- Are we on budget
- Are the bus stations going to have more carparks
- Rosedale Bus Station location
- Why there are ponds in relation to the council catchment

Two members of the club have an association with the Wainoni Park Pony Club and mentioned they enjoy the new facilities. Some members also said they were looking forward to using the new shared path and Alexander Underpass, as they like to go for regular walks.

### Key social impacts and future project mitigation recommendations for project team

The traffic congestion at the Meadowood Drive roundabout was highlighted and queried if there were any plans in place to fix it. The query was passed on to Auckland Transport to respond to as it is a recurring local road issue.
