

**CONSULTATION SUMMARY REPORT
MONTHLY COMMUNITY EVENT – JULY 2022**

Overview

Event	Date/Location	Staff present	Approx. number attended	Notification of Event
Project update, Rotary North Harbour	Friday 15 July 2022 Forrest Hill Presbyterian Church, 151 Forrest Hill Road, Forrest Hill 7:00am-08:30am	Trish Viall Jo Anslow	14	Email request from the Rotary Club President

Key topics

The purpose of this month's event was to give an overview of the project and give an update on the projects current and future works. The team started with a presentation giving an overview and scope and scale of the project followed by the animated video showing the context of the Northern Corridor Improvements project. The group were then shown an aerial flyover video of the project taken in June 2022 and paused at intervals so Trish could talk in depth about the work taking place and future works happening this year. Members were able to ask questions throughout the presentation.

Notification of the event

The Rotary Club president asked if we could give an update about the project to their members at one of their weekly meetings.

Feedback

Overall there were positive comments about the project. Questions raised during the session included:

- What is the machine that is on stilts and doesn't seem to work during the day?
- Is William Pickering connection opening to traffic?
- Has the project been delayed by Covid?
- What about the new walking tunnel?
- Are staff paid extra for working nights?
- Are we continuing the busway to Silverdale?
- Do we have to build extra things for noise?
- Is the project going to be over budget?
- Is a hybrid alliance different to a normal alliance?

28 July 2022

Grace Doughty

Communications and Engagement Team Manager, Northern Corridor Improvements Alliance
