Key topics

This month’s event celebrated the official opening of the Northern Busway extension and Constellation Station upgrade which extends the rapid transit network on Auckland’s North Shore.

Notification of the event

An invitation to the event was sent via the Waka Kotahi Official Events team.

Feedback

Overall, the feedback was very positive with a number of attendees expressing their excitement on the opening of the busway extension and that construction did not cause a large operational impact to buses.

Questions raised during the event:

- What was the health and safety record of the project?
- When will the shared path open?
