

# ALBANY BUS BRIDGE

## WHAT WE ARE DOING

### **Constructing a new Bus Bridge**

Work will be starting in January 2019 to prepare for construction on the new Albany Bus Bridge. The successful Northern Busway will be extended from Constellation to Albany Station.

### **Extending the Northern Busway**

The new busway extension will continue to run alongside the motorway to Albany, crossing into Albany Station on the new bus bridge.

## WHAT WILL IT LOOK LIKE?

Design elements of the Albany Bus Bridge will express a Waka (canoe) moving through water.
