Key topics

This month's event was to celebrate the half way point in the construction of the new hockey facility. Construction of the new National Hockey Centre is being delivered by the Transport Agency together with partners Harbour Hockey Charitable Trust, Auckland Council and the Upper Harbour Local Board.

NZ Transport Agency Senior Project Delivery Manager Karen Boyt welcomed guests to the pavilion and said the new facility will continue to take shape with the fit out of the building. Harbour Hockey Charitable Trust Chair Peter Felstead also spoke and said seeing the roof on the new pavilion building was a major milestone. Lastly Upper Harbour Local Board chair Margaret Miles spoke about the new facility being a key community asset for growing sport in the area.

Notification of the event

A calendar invite was sent to NZ Transport Agency, Harbour Hockey management, HH Charitable Trust, Funders, Hockey NZ and key stakeholders who have been involved in the project.

Feedback

The event provided an opportunity to showcase the construction of the new hockey facility and the Alexandra Stream walking and cycling bridge. People had an opportunity to walk on the new Alexandra Stream Bridge which will connect communities to Rosedale Park. The speeches took place on the top floor of the new pavilion building following a bus tour of the whole site area. The guests were very pleased with the progress and gave positive feedback about the great work being done by the team.
