Key topics

This month's event celebrated the official opening of the Greenhithe Riding for the Disabled facility in Wainoni Park. Upper Harbour Local Board Chair Margaret Miles, welcomed club members, parents and children to the clubhouse and opened the event. Communications and Engagement Team Manager Keelin Flynn also spoke about the need to retain the community space for the growth of equestrian sport in the area.

Notification of the event

A calendar invite was sent to community members and stakeholders who have been involved in the project.

Feedback

The event provided an opportunity for members to showcase their new upgraded facilities. The welcome and speeches took place in the clubhouse that has had solar panels and permanent water supply installed. Members and their supporters also tested the new all-weather arena as part of their morning riding lessons.

Key social impacts and future project mitigation recommendations for project team

Feedback was received from some members that the sand surface in the new arena wasn't suitable for some riders. As a result of this feedback, the project team is now working closely with Wainoni Park Equestrian Trust members to review the sand surface in the arena.

20 May 2019

Keelin Flynn

Communications and Engagement Team Manager, Northern Corridor Improvements Alliance
