Key topics

The main purpose for this month’s event was to unveil and bless the Mauri Markers, Alexandra Stream Bridge and Pavilion building before it is opened to the public. A dawn blessing and karakia was held at the new National Hockey Centre which is nearly completed as part of the project.

The ceremony started with a blessing and walkover of the bridge followed by an unveiling of the pou markers. The group then moved into the pavilion with one group heading into the lower level and the other through the upper level, converging afterwards in the clubroom.

Speeches were given by Mana Whenua, North Harbour Hockey and NZ Transport Agency representatives. After the ceremony the group shared breakfast together at the nearby North Harbour Softball clubrooms.

Notification of the event

Calendar invite sent to attendees. Relevant stakeholders informed via email and phone correspondence.

Feedback

Harbour Hockey Charitable Trustee Sharon Williamson expressed her gratitude on behalf of hockey attendees, for the work that went into the dawn blessing. She also passed on thanks to Mana Whenua for their support and the Alliance Communications and Stakeholder team. North Harbour Hockey CEO Riki Burgess passed on feedback he had received from multiple people about how much they enjoyed being a part of the ceremony as many had not experienced a dawn blessing before.

Key social impacts and future project mitigation recommendations for project team
