Key topics

The main purpose for this month’s event was to unveil the Mauri Markers (pou) during a dawn ceremony at North Harbour BMX, Riding for the Disabled (RDA) and the Wainoni Park Pony Club. Representatives from each of the sports clubs, the NZ Transport Agency, the Northern Corridor Improvements Alliance and Mana Whenua attended.

Kaumatua Martin Te Moni and Eynon Delamere led the karakia (blessing) at each location and unveiled each group of markers. Artist Graham Tipene explained the meaning of the colours and features of the artwork that he designed representing land, water, sky and people.

Notification of the event

A calendar invite was emailed to attendees and follow up phonecalls were made to club members.

Feedback

Representatives from the clubs enjoyed attending the unveiling of the Mauri Markers at their respective clubs where some of them had been involved during the design phase. In particular the RDA representatives greatly appreciated the words from Graham Tipene acknowledging the amazing work their volunteers do in their community. The clubs were thankful for the event photographs that had been sent to them directly afterwards illustrating each of the unveilings.
